

An abstract painting with vibrant, textured brushstrokes in shades of red, yellow, blue, green, and pink. A white graphic of an eye with long, spiky eyelashes is positioned in the lower-left quadrant. The word 'maeryna' is written in a white, cursive script below the eye graphic.

40x40 Collection

Liveliness

I would describe all of my works in 40x40cm format (painted in acryl) with the adjective „vivid.“ Just like me, in all the facets that life brings with it. Animalistic and feminine elements stand out.

After three years of creative work alongside a full-time job, these are now available for sale. Each work exists just once, they are so „unique“.
